22-25 JUNE 2024

SALZBURG | AUSTRIA

## Exhibition & Sponsorship Opportunities

**ISCBH**

INTERNATIONAL SOCIETY  
FOR CHILDREN'S BONE HEALTH  
best bone health for every child

[www.theiscbh.org/iccbh](http://www.theiscbh.org/iccbh)

It is with great pleasure that we invite you to participate in the 11th International Conference on Children's Bone Health, our first conference since we have become a Society and the first time we can welcome delegates as members of our Society! The conference will once again be held in Salzburg, Austria, from 22 – 25 June 2024.

Over the last few months we have been working hard to launch the new ISCBH and we have had such a fantastic response we already have almost 200 members and we will look to increase this in the coming months and celebrate this during the conference.

The ICCBH meeting will of course offer the high-quality scientific programme that it's known for. The programme is designed with the interests of both clinicians and basic scientists in mind.

As things settle down following the pandemic it is still difficult to predict attendance levels but we think around 500 delegates will be there. We will also be offering an on-demand option too.

Our delegates often tell us that they come to this conference because of it's multidisciplinary nature which also gives the opportunity to talk to specialists from many different fields – paediatricians, endocrinologists, rheumatologists, nephrologists, nutritionists, orthopaedic surgeons and others.

Highlights will include the following:

- A cutting edge programme of invited speaker lectures featuring some of the world's leading experts in the field
- Company-supported satellite symposia highlighting some of the latest developments and research
- A busy exhibition area with lunch included in the delegate fee
- Well-attended poster sessions

We hope that you will be able to join us for what promises to be an exciting meeting and we look forward to seeing you in Salzburg!
