

GUIDELINES FOR ABSTRACT SUBMISSION

This document contains the guidelines you will need to consider when submitting your abstract or clinical case for ICCBH 2026.

Abstract Content

Please enter the abstract text (max 350 words not including table or figure). Maximum 1 table OR 1 figure allowed. Please structure your abstract as follows:

Research abstracts:

- o OBJECTIVES:
- o METHODS:
- o RESULTS:
- o CONCLUSIONS:

Clinical cases

- o BACKGROUND:
- o PRESENTING PROBLEM:
- o CLINICAL MANAGEMENT:
- o DISCUSSION:

Previous presentation/publication

Work which has been previously presented may be submitted for presentation at the conference provided it has not been published as a full manuscript. If your abstract will be presented or published in any form prior to the conference, we will ask you to give details of this during the online submission process.

Permission to publish

We will ask you to confirm that you give us permission to publish your submission on electronic media and in hardcopy if it is accepted for presentation.

Author approval & disclosures

We will ask you to confirm that this submission has been approved by all authors. We will ask you if any of the authors have any commercial interests or associations that could be perceived as posing a conflict of interest regarding this submission? If yes, you will be asked to give details during the submission process.

Author will attend ICCBH 2026

At least one author will register in full to attend and present the abstract (either as an oral presentation or poster) at the Conference.

The subject categories are as follows

Bone development
Bone fragility
Bone metabolism
Diagnostics and imaging
Epidemiology
Genetics
Medical therapies
Mineral homeostasis and vitamin D
Muscle and bone
Nutrition
