Poster preparation

Each presenter will be allocated one numbered board. The maximum size allowed for your poster is:

- A0 – 84.1cm wide x 118.9cm high (portrait format)
- This is the maximum size allowed for your poster
- You must follow these directions – larger posters will not fit the boards!

Fixing materials for attaching your poster to the board will be available at the meeting.

Posters are usually more attractive when mounted onto a single background rather than being mounted on the board as several separate sheets.

The Organisers will provide the poster board numbers.

Local printing

If you prefer to have your poster printed in Montreal and pick it up on site at the meeting, we have made an arrangement with a local printer. We cannot make any guarantee of reliability or quality but our local team have used their services in the past and have been happy with the results. Please contact copienova@copienova.com they have quoted \$120.00 plus tax.
